Welcome

This app keeps track of the anaesthesia work you have done, how much each hospital owes you, and who to call when a payment is late. This manual walks you through every screen, one step at a time.

Tip: In the screenshots, the button or box you need to tap is marked with a **red outline**. All names, patients and amounts in this manual are sample data.

What the app does for you

You want to...	Go to
Write down a case you have finished	Add Case (yellow + button at the bottom)
See how much money is still to come	Dashboard
Note a payment you received	Open the case → Record payment
Know which hospital to call today	Dashboard → Follow-ups card
Get Excel sheets for your CA or records	Reports → any report → Download Excel

Words used in this manual

Word	Meaning
Case	One piece of work you did (one patient, one surgery) that you will be paid for.
Fee	The amount you charge for that case.
Received	Money already paid to you for the case.
Outstanding	Money still to come (Fee minus Received).
Expected payment date	The date by which you expect to be paid. If you leave it empty, the app assumes 30 days.
Overdue	The expected payment date has passed and the case is not fully paid.
Follow-up	A call or message to the hospital to ask about a pending payment.
Surgeon	The surgeon who called you for the case. Your list of surgeons is private.
Contact	A person at the hospital (billing, accounts, OT) whom you call about payments. Private to you.

Payment status colours

Label	What it means
Pending	Nothing received yet, still within the expected date.
Partially Paid	Some money received, some still due.
Paid	Fully paid. Nothing more to do.
Overdue	Expected date has passed and money is still due. Time to follow up.

1. Getting started

Open the app and add it to your phone

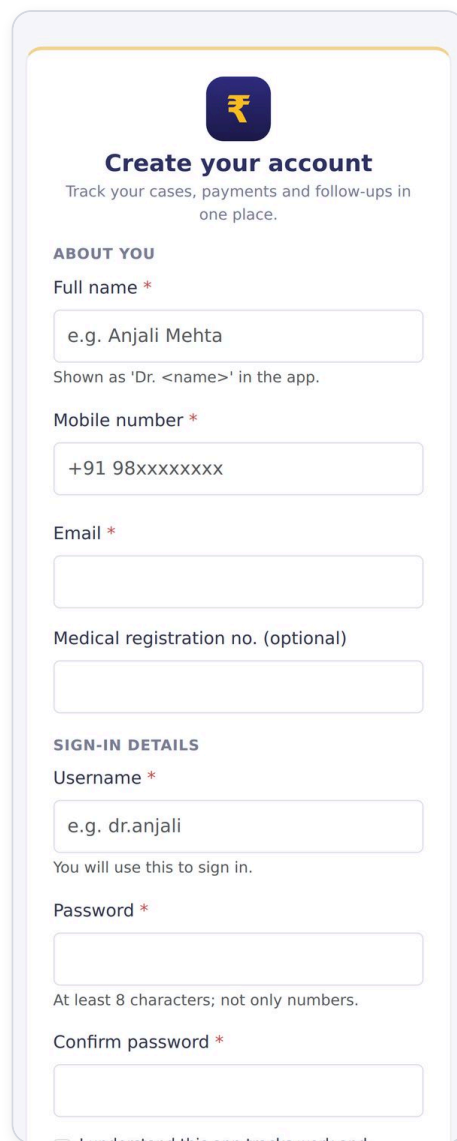

1. Open the app link (shared by your admin) in **Chrome** (Android) or **Safari** (iPhone).
2. **Android:** tap **Install app** on the sign-in page, or Chrome menu **⋮** → **Install app**.
3. **iPhone:** tap the **Share** button → **Add to Home Screen** → **Add**.
4. An app icon appears on your home screen. From now on open the app from this icon - it works like a normal app.

Tip You need to do this only once on each phone.

Create your account (first time only)

1. On the sign-in page tap **Create an account**.
2. Fill in your **full name**, **mobile number** and **email**.
3. Choose a **Username** (your User ID, e.g. *dr.anjali*) and a **password**, then tap **Create account**.

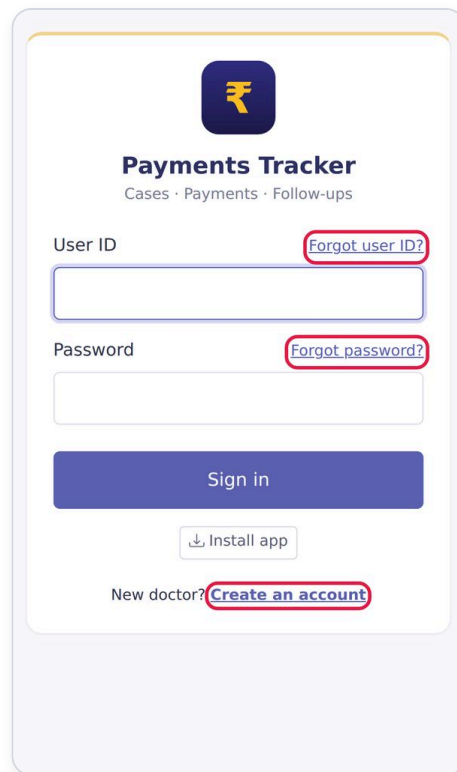

Tip Enter your mobile number correctly. It is used to recover your User ID and password later.

The screenshot shows the 'Create your account' screen of the Payments Tracker app. At the top is the app's logo, a blue square with a white '₹' symbol. Below the logo is the title 'Create your account' and a subtitle 'Track your cases, payments and follow-ups in one place.' The form is divided into two sections: 'ABOUT YOU' and 'SIGN-IN DETAILS'. The 'ABOUT YOU' section includes fields for 'Full name *' (with a hint 'e.g. Anjali Mehta'), 'Mobile number *' (with a hint '+91 98xxxxxxx'), and 'Email *'. Below these is a field for 'Medical registration no. (optional)'. The 'SIGN-IN DETAILS' section includes a 'Username *' field (with a hint 'e.g. dr.anjali') and a 'Password *' field. Below the password field is a note 'At least 8 characters; not only numbers.' and a 'Confirm password *' field. At the bottom of the form is a checkbox labeled 'I understand this app tracks my data'.

Sign in

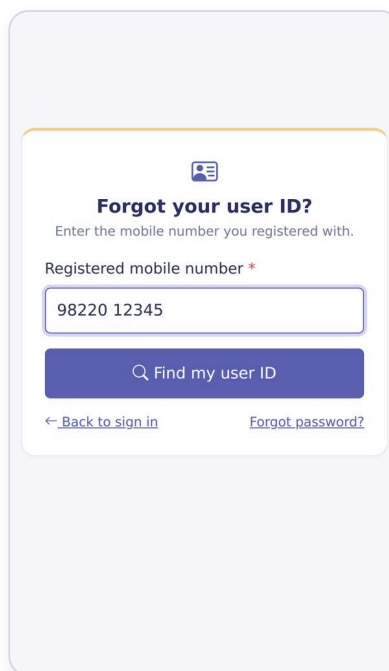

1. Type your **User ID** and **Password**.
2. Tap **Sign in**. You land on the Dashboard.
3. Forgot something? Use the links marked in red: **Forgot user ID?** and **Forgot password?**

The sign-in screen for the Payments Tracker app features a blue header with the app's logo (a yellow '₹' symbol). Below the logo, the text 'Payments Tracker' is displayed in bold, followed by 'Cases · Payments · Follow-ups' in a smaller font. The main content area contains two input fields: 'User ID' and 'Password'. Both fields have a red rectangular box next to them containing the text 'Forgot user ID?' and 'Forgot password?' respectively. Below the input fields is a large blue button labeled 'Sign in'. Underneath the 'Sign in' button is a smaller button with a download icon and the text 'Install app'. At the bottom of the screen, there is a link 'New doctor?' followed by a red rectangular box containing the text 'Create an account'.

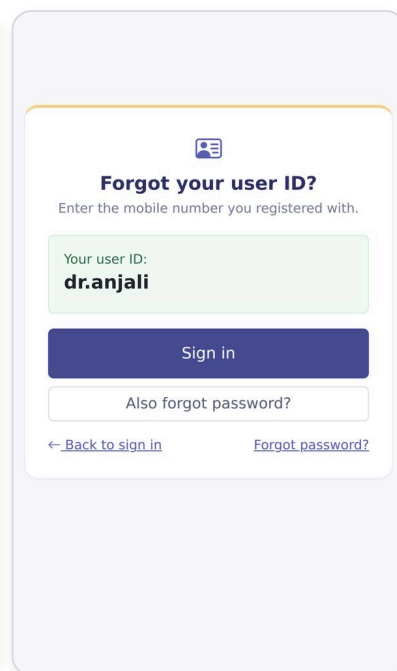

Forgot your User ID

1. On the sign-in page tap **Forgot user ID?**
2. Enter the **mobile number** you registered with and tap **Find my user ID**.
3. Your User ID is shown on the screen. Tap **Sign in** to continue.

The 'Forgot your user ID' screen has a blue header with a user ID icon. The title 'Forgot your user ID?' is in bold, followed by the instruction 'Enter the mobile number you registered with.' Below this is a label 'Registered mobile number *' and a text input field containing the number '98220 12345'. A large blue button with a magnifying glass icon and the text 'Find my user ID' is positioned below the input field. At the bottom, there are two links: '← Back to sign in' and 'Forgot password?'.

Enter mobile number

The 'Forgot your user ID' screen shows the result of the search. The title 'Forgot your user ID?' is in bold, followed by the instruction 'Enter the mobile number you registered with.' Below this is a green box with the text 'Your user ID: dr.anjali'. A large blue button labeled 'Sign in' is positioned below the green box. Underneath the 'Sign in' button is a link 'Also forgot password?'. At the bottom, there are two links: '← Back to sign in' and 'Forgot password?'.

Your User ID is shown

Forgot your password

1. On the sign-in page tap **Forgot password?**
2. Enter your **User ID** and registered **mobile number**, then tap **Verify**.
3. If they match, type a **new password** twice and tap **Save new password**.
4. Sign in with the new password.

Note After 5 wrong tries the form is locked for 15 minutes. Wait, or ask your admin.

The image displays two mobile application screens for password recovery. The first screen, titled "Forgot your password?", features a key icon and instructions to enter the user ID and mobile number. It includes input fields for "User ID (username) *" (containing "dr.anjali") and "Registered mobile number *" (containing "9822012345"). A blue "Verify" button is at the bottom, along with links for "Back to sign in" and "Forgot user ID?". The second screen, titled "Set a new password", shows a shield icon and confirms details for "dr.anjali". It has a "New password *" field with a list of requirements: not too similar to personal info, at least 8 characters, not a commonly used password, and not entirely numeric. Below is a "New password confirmation *" field with the instruction "Enter the same password as before, for verification." and a blue "Save new password" button, with a "Cancel" link at the bottom.

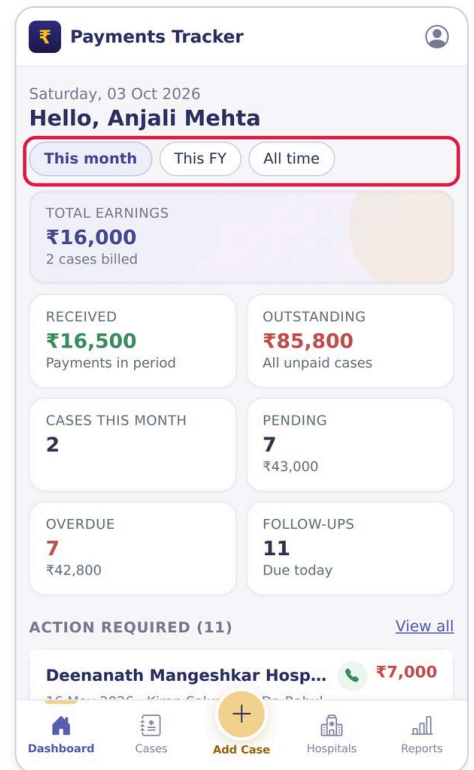

Verify

Set new password

2. Finding your way around

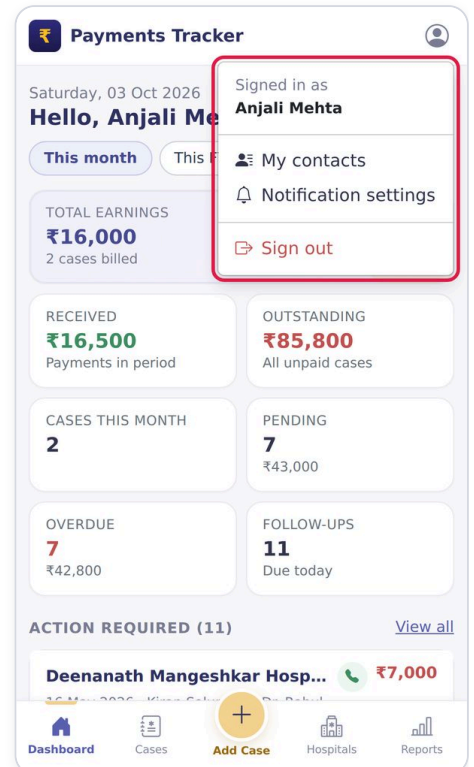

The bottom bar

1. **Dashboard** - your money summary and today's to-do list.
2. **Cases** - every case you have entered, with search.
3. **Add Case** (yellow + in the middle) - write down a new case.
4. **Hospitals** - hospitals you work with, and search for any hospital.
5. **Reports** - summaries and Excel downloads.

The profile menu (round icon, top right)

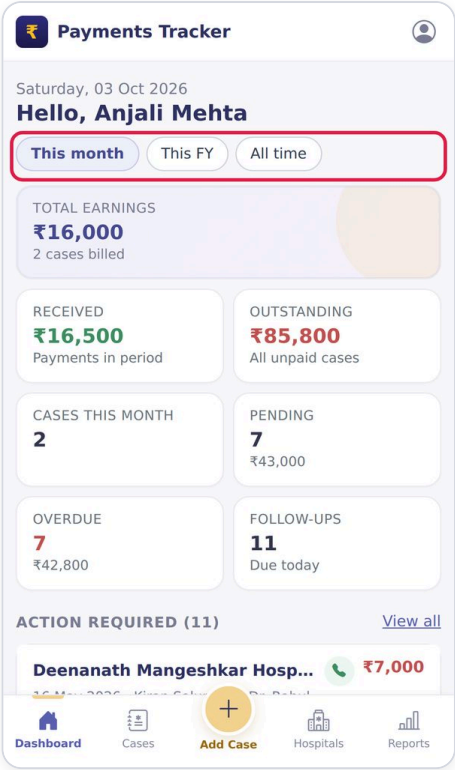

1. Shows who is signed in.
2. **My contacts** - your hospital contacts and surgeons.
3. **Notification settings** - payment reminders on your phone.
4. **Sign out** - log out of the app on this phone.

3. Dashboard

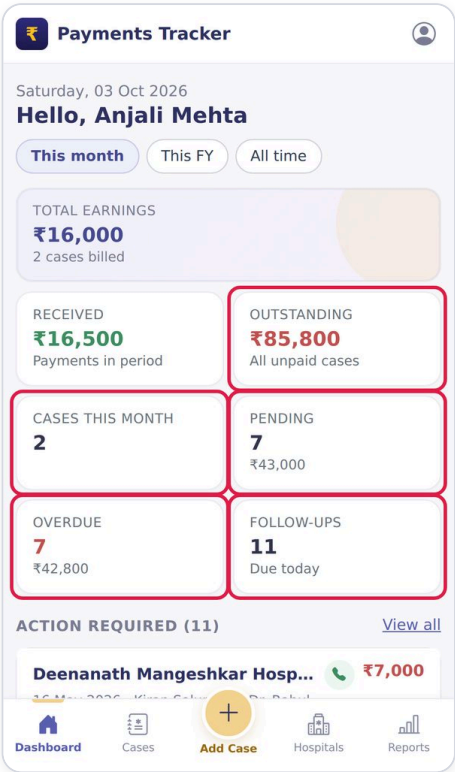

Your money at a glance

- 1. At the top, choose the period: **This month**, **This FY** (April to March) or **All time**.
- 2. **Total earnings** - total fees of cases in that period.
- 3. **Received** - money received in that period.
- 4. **Outstanding** - all money still to come.

Tap a card to see the cases behind it

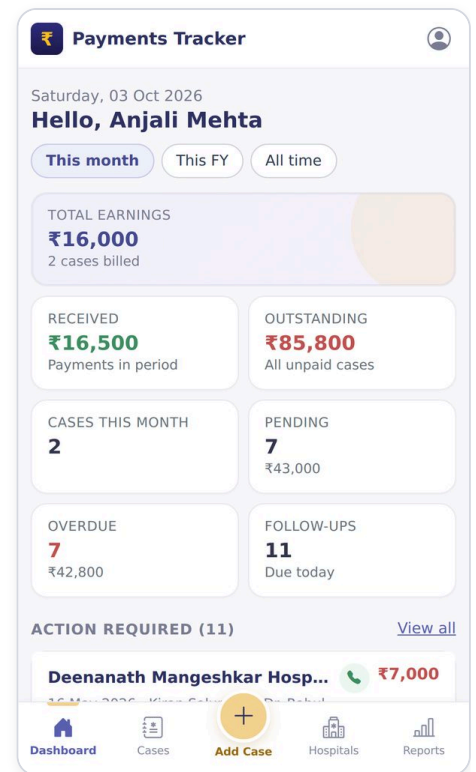

- 1. **Outstanding** - every case that is not fully paid.
- 2. **Pending** - unpaid cases that are not yet overdue.
- 3. **Overdue** - cases past their expected payment date.
- 4. **Follow-ups** - cases where it is time to call the hospital.
- 5. Use the ← arrow at the top to come back.

Action required

1. Lower down, **Action required** lists cases that need a call today.
2. Tap the green **phone icon** next to a hospital to call the right person straight away.
3. Tap a row to open the case.

Tip Check this list once a day - it is your payment to-do list.

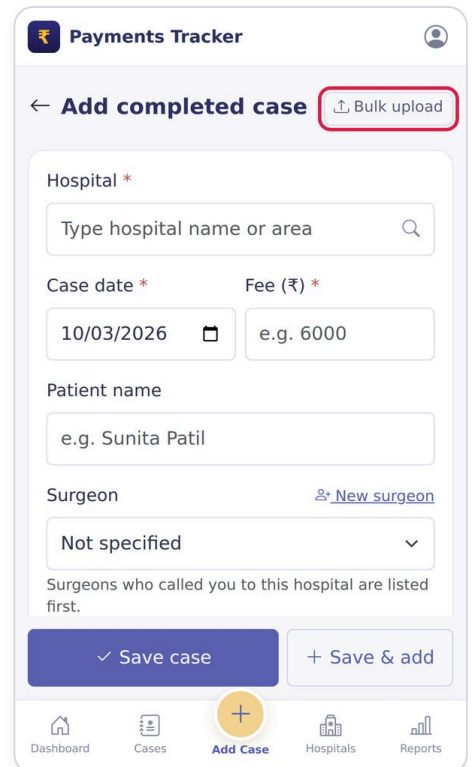

4. Adding a case

Do this right after the case, or at the end of the day. It takes about 30 seconds.

Step 1 - Open Add Case

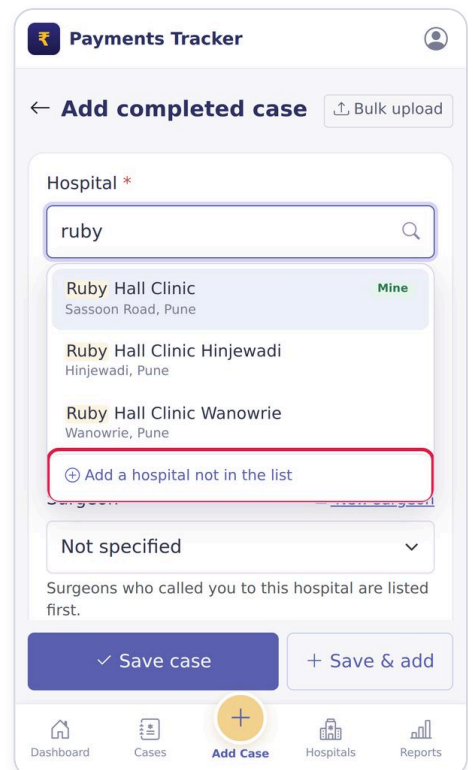

1. Tap the yellow + **Add Case** button at the bottom.
2. Fields with a red * are required: **Hospital**, **Case date** and **Fee**.
3. Many cases to enter at once? Use **Bulk upload** (top right) - see section 5.

The screenshot shows the 'Add completed case' form in the Payments Tracker app. At the top, there's a back arrow, the title 'Add completed case', and a 'Bulk upload' link. The form fields are: 'Hospital *' with a search bar, 'Case date *' with a date picker showing '10/03/2026', 'Fee (₹) *' with a text input showing 'e.g. 6000', 'Patient name' with a text input showing 'e.g. Sunita Patil', and 'Surgeon' with a dropdown menu showing 'Not specified' and a link to 'New surgeon'. Below the surgeon dropdown, it says 'Surgeons who called you to this hospital are listed first.' At the bottom of the form are two buttons: 'Save case' and '+ Save & add'. The bottom navigation bar shows 'Dashboard', 'Cases', 'Add Case' (highlighted with a yellow circle), 'Hospitals', and 'Reports'.

Step 2 - Choose the hospital

1. Tap the **Hospital** box and type a few letters of the name or area, e.g. *ruby* or *kothrud*.
2. Pick the right hospital from the list. Hospitals you already work with show a green **Mine** tag.
3. Not in the list? Tap **Add a hospital not in the list** (see next step).

This screenshot shows the same 'Add completed case' form, but with the 'Hospital' search bar filled with 'ruby'. Below the search bar, a list of hospitals is displayed: 'Ruby Hall Clinic, Sassoon Road, Pune' (with a green 'Mine' tag), 'Ruby Hall Clinic Hinjewadi, Hinjewadi, Pune', and 'Ruby Hall Clinic Wanowrie, Wanowrie, Pune'. At the bottom of the list is a button that says '+ Add a hospital not in the list'. The rest of the form and the bottom navigation bar are the same as in the previous screenshot.

Hospital not in the list? Add it

1. Type the **Name**, **Area** and **City**. Other details are optional.
2. Tap **Save hospital**. You return to Add Case with the new hospital already chosen.

Tip The new hospital is saved straight away - no approval needed.

The screenshot shows the 'Add a hospital' screen in the Payments Tracker app. At the top, there's a header with the app name and a back arrow. Below the header, there's a title 'Add a hospital' and a brief instruction: 'Add a hospital that is not in the list. It is saved straight away and you can pick it on your cases.' The form contains several input fields: 'Name *' with the value 'Shree Clinic', 'Area / locality' with the value 'Baner', 'City *' with the value 'Pune', and 'Category *' with a dropdown menu showing 'Hospital'. At the bottom of the form is a blue button labeled 'Save hospital'. Below the form is a navigation bar with icons for 'Dashboard', 'Cases', 'Add Case' (highlighted with a yellow circle), 'Hospitals', and 'Reports'.

Step 3 - Date, fee, patient and surgeon

1. **Case date** is today by default. Change it if the case was on another day.
2. Type the **Fee** in rupees (numbers only, e.g. 9000).
3. Type the **Patient name** (optional).
4. Choose the **Surgeon** who called you. Surgeons who called you to this hospital before are shown first, and the last one is picked for you.

The screenshot shows the 'Add completed case' screen in the Payments Tracker app. At the top, there's a header with the app name and a back arrow. Below the header, there's a title 'Add completed case' and a 'Bulk upload' button. The form contains several input fields: 'Hospital *' with the value 'Ruby Hall Clinic - Sassoon Road, Pur', 'Case date *' with the value '10/03/2026', 'Fee (₹) *' with the value '9000', 'Patient name' with the value 'Mohan Patil', and 'Surgeon' with a dropdown menu showing 'Dr. Amit Shah'. Below the form is a blue button labeled 'Save case' and a grey button labeled 'Save & add'. Below the form is a navigation bar with icons for 'Dashboard', 'Cases', 'Add Case' (highlighted with a yellow circle), 'Hospitals', and 'Reports'.

New surgeon?

1. Tap **New surgeon** next to the Surgeon box.
2. Type the surgeon's name and (optionally) mobile number.
3. When you save the case, the surgeon is added to your list and linked to this hospital. Next time just pick them from the list.

Tip The same surgeon can be linked to many hospitals - the app keeps one link for each hospital.

Case saved

5. Bulk upload (many cases from Excel)

Download the template, fill it, upload it

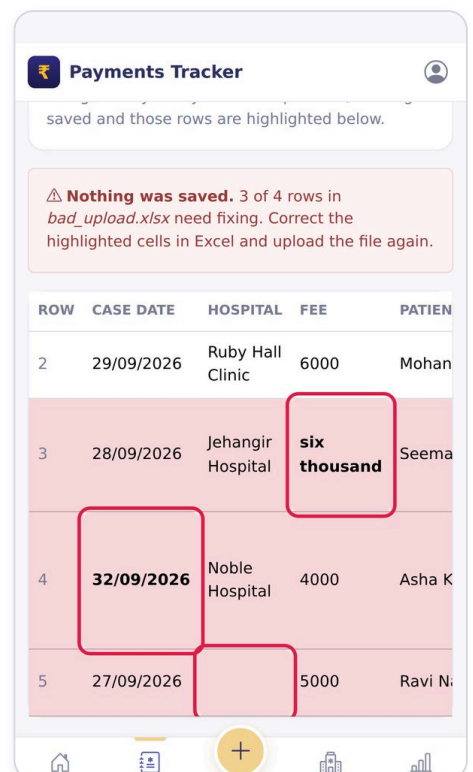

1. Open **Add Case** → tap **Bulk upload** (top right).
2. Tap **Download Excel template** and open it in Excel or Google Sheets.
3. Enter one case per row. Required columns: **Case Date**, **Hospital**, **Fee**.
4. Save the file, come back, tap **Choose File**, pick the file and tap **Upload**.
5. If every row is correct, all cases are saved at once and you see a confirmation.

If some rows have mistakes

1. **Nothing is saved** - so you never get half an upload.
2. The rows with problems are shown in **pink**, and the wrong cell has a **red box**. The **Problem** column (scroll right) says what is wrong.
3. Fix those cells in Excel, save, and upload the same file again.

Tip Uploading the same file twice is safe: rows already in the app are skipped.

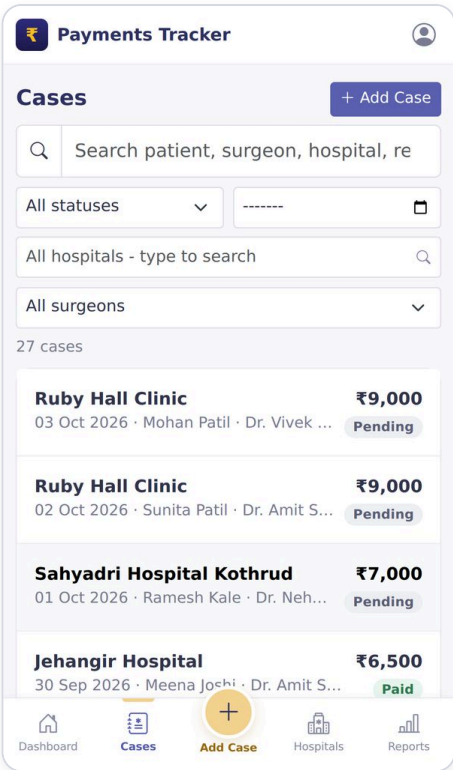

Template columns

Column	What to type	Example
Case Date *	Date of the case (DD/MM/YYYY)	25/09/2026
Hospital *	Pick from the dropdown, or type a new name (it will be added)	Ruby Hall Clinic
Fee *	Amount in rupees, numbers only	7500
Patient Name	Patient's name	Sunita Patil
Surgeon	Surgeon's name (new names are added to your surgeons)	Dr. Amit Shah
Procedure / Case Type	Type of case	LSCS - spinal
Case / Patient Ref	IP no. or bill no.	IP 45821
Notes	Anything else	
Amount Received	Only if already paid (fully or partly)	7500
Payment Date	When it was paid (default: case date)	30/09/2026
Payment Mode	UPI, Bank transfer, Cheque, Cash, Card or Other	UPI

6. Your cases

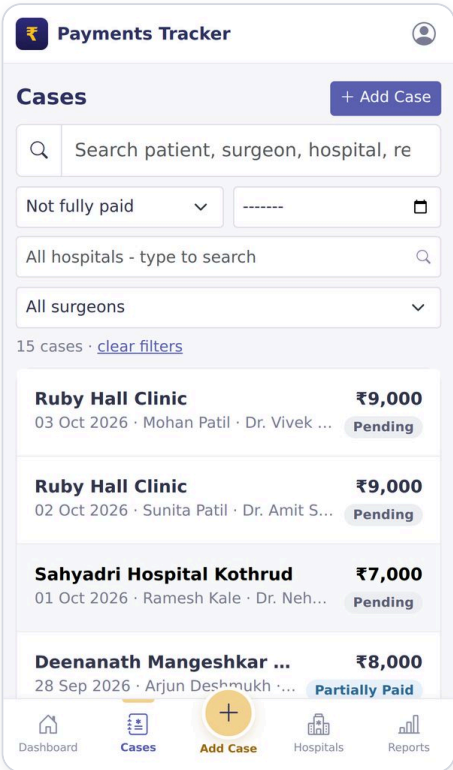

Find any case

- 1. Tap **Cases** in the bottom bar.
- 2. Type in the search box: **patient, surgeon, hospital** or **IP number**.
- 3. Use the filters below it: **status, month, hospital, surgeon**.
- 4. Each row shows the hospital, date, patient, surgeon, fee and status. Tap a row to open it.

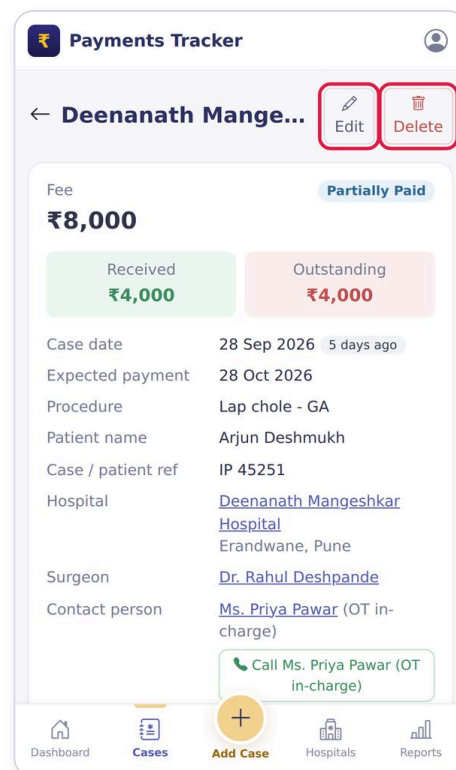

Show only unpaid cases

- 1. In the status filter choose **Not fully paid**.
- 2. Tap **clear filters** to see everything again.

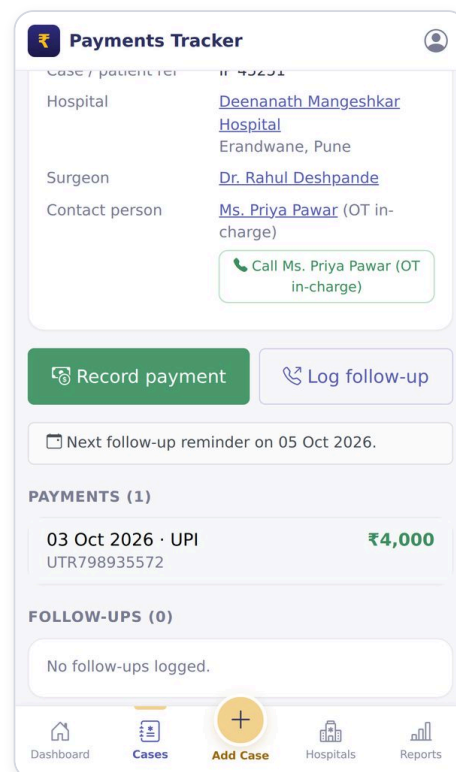

Case details

1. Top: **Fee**, **Received** and **Outstanding**, with the status.
2. Below: date, expected payment, procedure, patient, hospital, surgeon and contact person.
3. Tap **Call ...** to phone the contact for this case.
4. **Edit** and **Delete** buttons are at the top right.

Payments and follow-ups of a case

1. Scroll down to see **Record payment** and **Log follow-up** buttons.
2. Every payment received and every follow-up call is listed with its date.
3. The app also shows when the next follow-up reminder is due.

Edit a case

1. Open the case → tap **Edit** (top right).
2. Change what you need and tap **Save case**.
3. The edit page also has a red **Delete** button next to Save case.

Payments Tracker

← **Edit case**

Surgeons who called you to this hospital are listed first.

✓ Save case Delete

Dashboard Cases Add Case Hospitals Reports

Delete a case

1. Open the case → tap the red **Delete** button (top right), or tap **Delete** on the edit page.
2. A page asks **Delete this case?** and shows the hospital, date, patient and fee so you can check it is the right one.
3. Tap **Yes, delete** to remove it, or **Cancel** to keep it.

Note Deleting a case also deletes its payments and follow-ups. This cannot be undone.

Payments Tracker

Delete this case?

Deenanath Mangeshkar Hospital · 28 Sep 2026 · Arjun Deshmukh · ₹8,000

All payments and follow-ups recorded against it will also be deleted. This cannot be undone.

Yes, delete Cancel

Dashboard Cases Add Case Hospitals Reports

7. Recording payments

Note a payment you received

1. Open the case → tap **Record payment**.
2. The **Amount** is filled with what is still due - change it if you received less (a part payment).
3. Check the **Payment date** and choose the **Mode** (UPI, bank transfer, cheque, cash...).
4. Optional: add the transaction / cheque number.
5. Tap **Save payment**. The case status updates automatically.

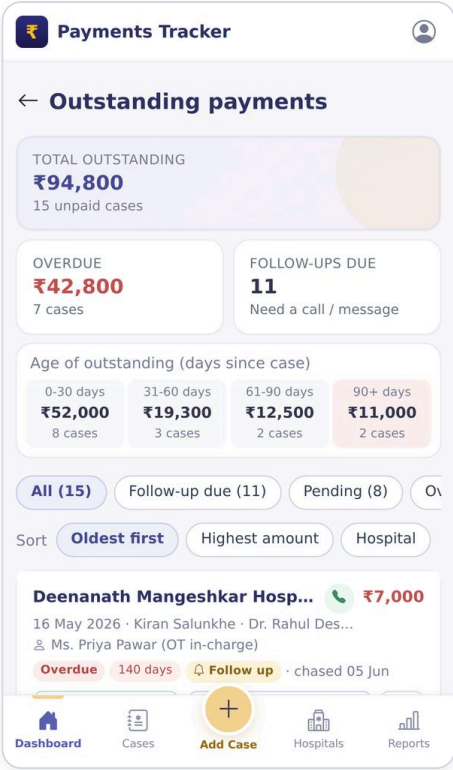

Tip Got paid in parts? Record each part separately. The case shows Partially Paid until the full fee is received.

The screenshot shows the 'Payments Tracker' app interface. At the top, there's a header with a rupee icon and the text 'Payments Tracker'. Below this is a back arrow and the title 'Record payment'. The main content area displays information for 'Deenanath Mangeshkar Hospital', including the date '28 Sep 2026', location 'Lap chole - GA · IP 45251', and financial details: 'Fee ₹8,000 · Received ₹4,000 · Due ₹4,000'. Below this, there are input fields for 'Amount *' (containing '4000') and 'Payment date *' (containing '10/03/2026' with a calendar icon). A 'Mode *' dropdown menu is set to 'Bank transfer / NEFT'. There is also a 'Transaction / cheque no.' field. At the bottom of the form is a green button labeled '✓ Save payment'. The bottom navigation bar contains five icons: 'Dashboard', 'Cases', 'Add Case' (highlighted with a plus sign), 'Hospitals', and 'Reports'.

8. Outstanding money and follow-ups

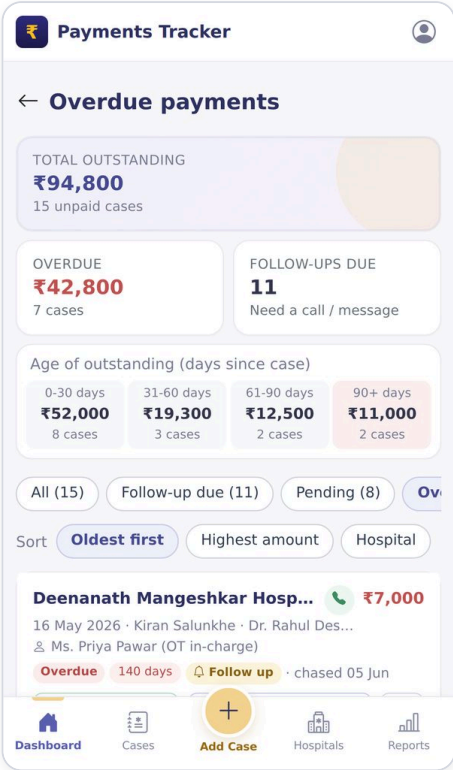

Outstanding payments

- 1. Dashboard → tap the **Outstanding** card.
- 2. Top: total outstanding, overdue amount and follow-ups due.
- 3. **Age of outstanding** shows how old the unpaid money is (0-30 days, 31-60, 61-90, 90+).
- 4. Use the tabs (**All**, **Follow-up due**, **Pending**, **Overdue**) and sort buttons to arrange the list.

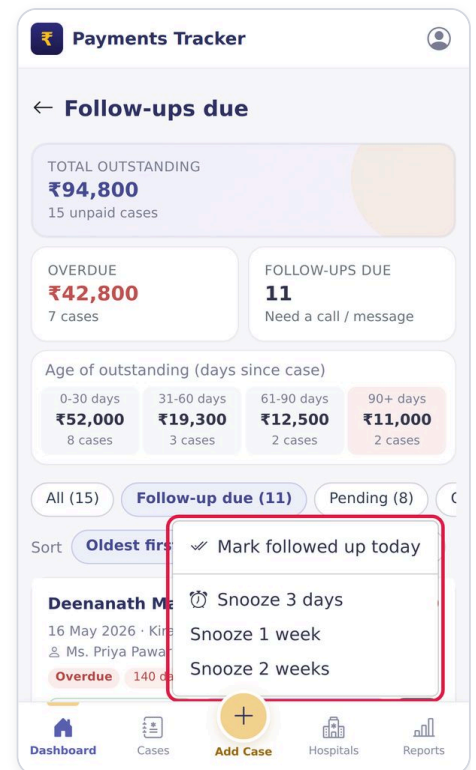

Overdue payments

- 1. Dashboard → tap the **Overdue** card.
- 2. Each row shows how many days the payment is overdue.
- 3. Tap the green phone icon to call the right contact.

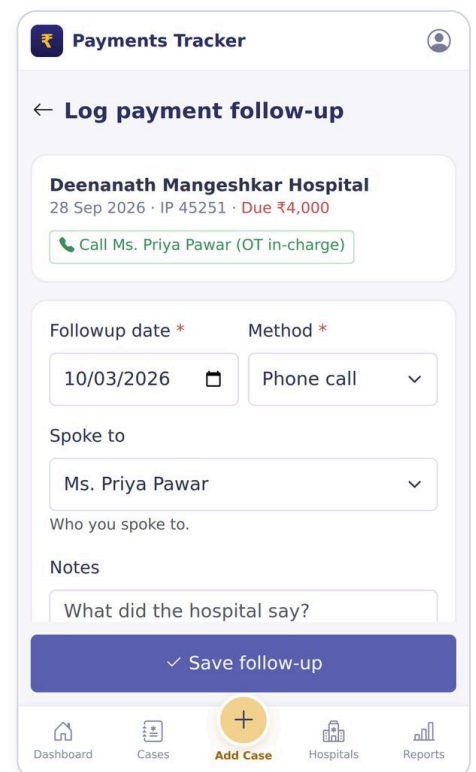

Mark a follow-up quickly

1. Dashboard → tap **Follow-ups**.
2. Tap the ⋮ button on a case.
3. **Mark followed up today** - you have called; the reminder is cleared.
4. **Snooze** - hide the reminder for 3 days, 1 week or 2 weeks.

Write down what the hospital said

1. Open the case → **Log follow-up**.
2. Choose the date, how you contacted them (call, WhatsApp...) and **who you spoke to**.
3. Write what they said in **Notes**.
4. If they promised a date, enter **Promised payment date** - reminders pause until then.

How reminders work: when a case is unpaid for 7, 14 and 21 days (and then every 7 days), it appears under **Follow-ups**. Logging a follow-up or snoozing removes it until the next reminder. Your admin can change these days in Settings.

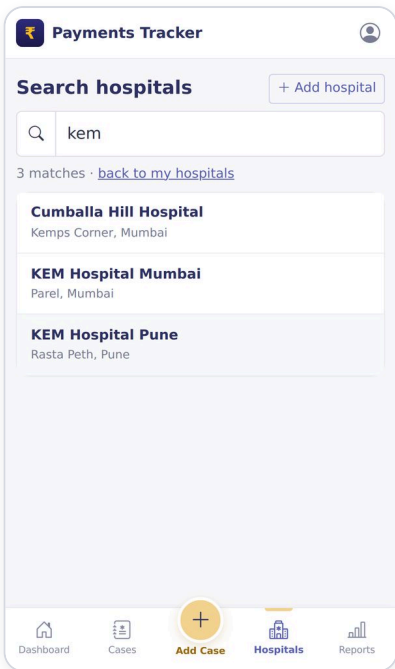

9. Hospitals

My hospitals

- 1. Tap **Hospitals** in the bottom bar.
- 2. You see the hospitals you work with, with the amount outstanding at each.
- 3. Use the search box to find **any** hospital in the list (about 90 Pune and Mumbai hospitals are included).
- 4. Tap **+ Add hospital** if one is missing.

My hospitals

Search all hospitals

Hospital page

- 1. Address, type and main phone of the hospital.
- 2. **My contacts here** - your contacts at this hospital, with a call button.
- 3. Your number of cases and outstanding amount there, and recent cases.
- 4. **Add case here** and **Add contact here** buttons save typing.

10. Contacts and surgeons

Both lists are private: other doctors cannot see your contacts or surgeons.

Your contacts

1. Profile menu → **My contacts**. Use the **Contacts** / **Surgeons** tabs at the top.
2. Each contact shows their role and hospital. Tap the green phone icon to call.
3. Tap + **Add contact** to add someone. Contacts are also added automatically when you use **New contact** on Add Case.

Contact page - when someone changes hospital

1. Open a contact to see where they work and the cases linked to them.
2. Moved to another hospital? Tap **Add a hospital / moved to another hospital**, pick the new hospital and tick **They moved here**. Old cases keep the history.
3. ⋮ next to a hospital: make them the **main contact** there, or mark **no longer works here**.

The screenshot shows the 'Payments Tracker' app interface for a contact named 'Mr. Rohan Gokhale'. At the top, there's a header with the app name and a user profile icon. Below the header, the contact's name is displayed with an 'Edit' button. The contact's details include 'Role: Billing' and 'Mobile: 9850033333', with a 'Call Mr. Rohan Gokhale' button. A section titled 'WORKS AT' shows 'Sahyadri Hospital Kothrud' as the 'Main contact' since 17 Mar 2026. Below this, a section titled 'CASES WITH THIS CONTACT' lists five transactions, all from 'Sahyadri Hospital Kothrud'. The first two are 'Pending' (₹7,000 each), and the last three are 'Paid' (₹7,000, ₹7,000, and ₹8,500 respectively). At the bottom, there's a navigation bar with icons for Dashboard, Cases, Add Case (highlighted with a plus sign), Hospitals, and Reports.

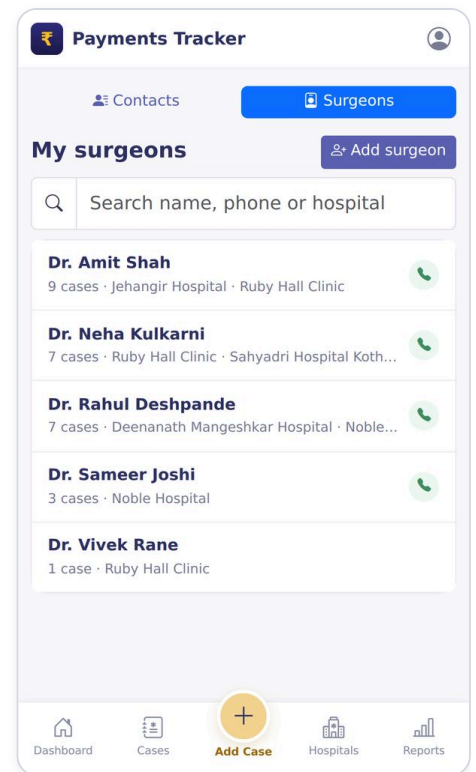

Add a contact

1. Fill in **Name**, **Role** and **Mobile**.
2. Android: **Pick from phone contacts** fills name and mobile for you.
3. Optionally choose the hospital they work at, then tap **Save contact**.

The screenshot shows the 'Add contact' form in the 'Payments Tracker' app. The form has a header with the app name and a user profile icon. Below the header, the title 'Add contact' is displayed. The form fields include a 'Pick from phone contacts' button (highlighted with a red box), 'Name *', 'Role *' (with a dropdown menu showing 'Billing'), 'Mobile', and 'Other phone'. At the bottom, there's a 'Save contact' button. The navigation bar at the very bottom is identical to the previous screenshot, with 'Add Case' highlighted.

Your surgeons

1. Profile menu → **My contacts** → **Surgeons** tab.
2. Each surgeon shows how many cases they called you for, and at which hospitals.
3. Tap + **Add surgeon** to add one (surgeons are also added from Add Case).

Surgeon page

- 1. **Calls you to** - each hospital this surgeon calls you from, with cases and amount billed there.
- 2. Add another hospital with the **Hospital** box and **+ Add hospital**; remove one with **x**.
- 3. Recent cases with this surgeon are listed below. Tap **Edit** to change name, mobile or speciality.

Reports

Add surgeon

11. Reports and Excel downloads

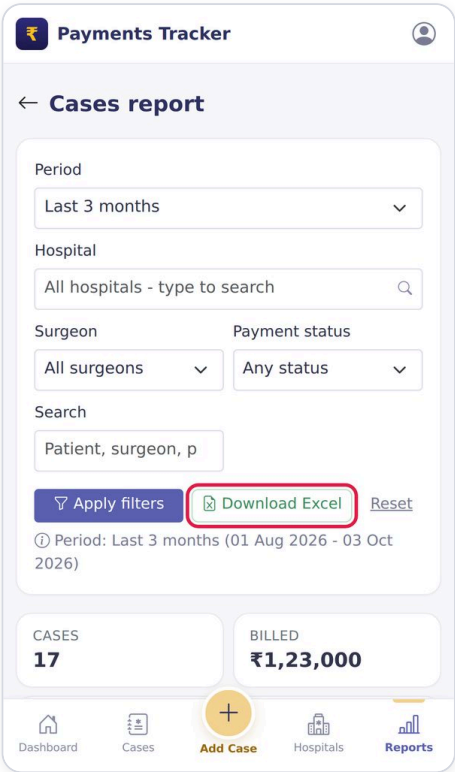

Choose a report

- 1. Tap **Reports** in the bottom bar.
- 2. Every report has filters at the top and a green **Download Excel** button.
- 3. Choose a **Period**: this month, last month, last 3 months, this FY, last FY, last 12 months, all time or **Custom dates**.

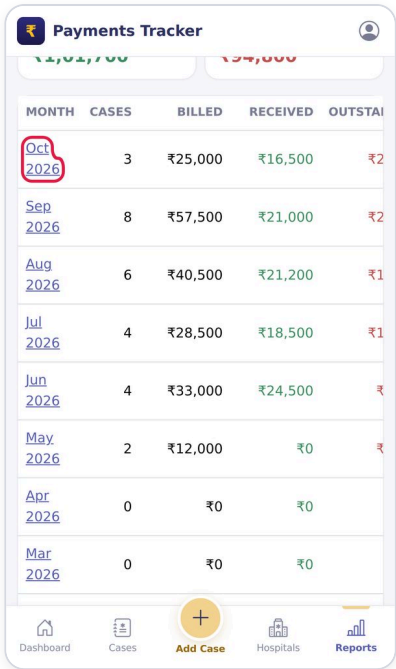

Cases report

- 1. All cases matching your filters: period, hospital, surgeon, payment status and search.
- 2. Tap **Apply filters**, then **Download Excel** for the full list with patient, surgeon, contact, fee, received, outstanding and status.

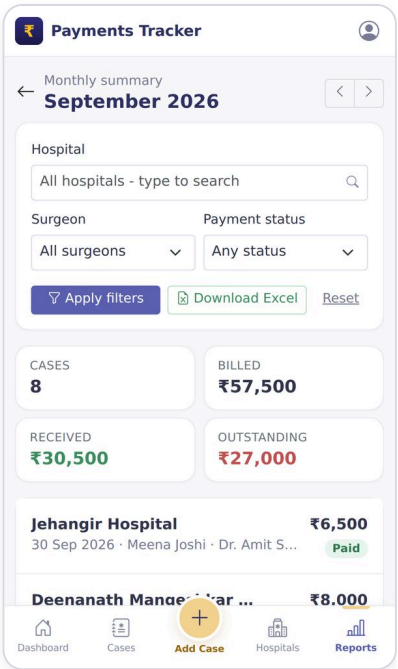

Monthly summary and month page

1. **Monthly summary** shows cases, billed, received and outstanding for each month.
2. Tap a **month** to open its own page with only three filters: **Hospital**, **Surgeon**, **Payment status**.
3. Use the < > arrows to move to the previous or next month, and **Download Excel** for that month.

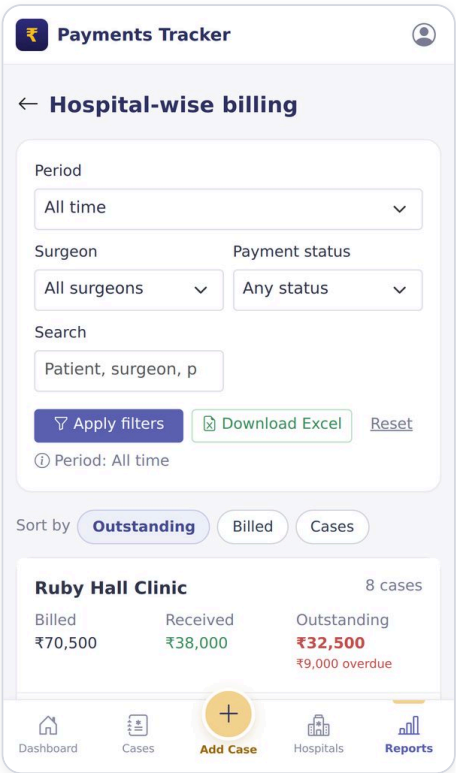

Tap a month

Month page

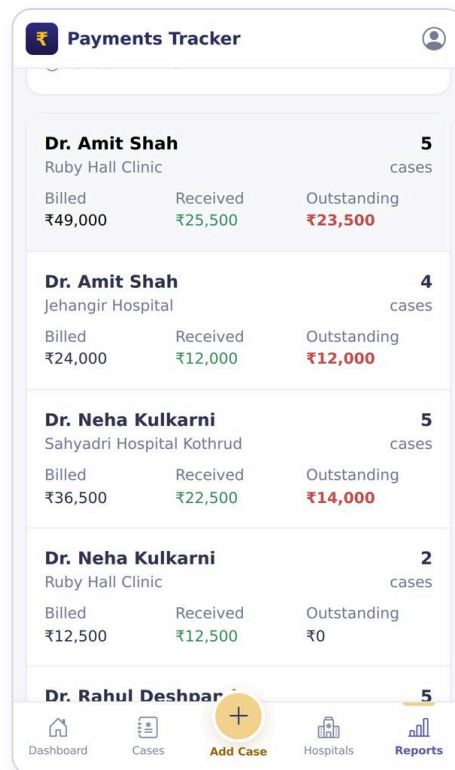

Hospital-wise billing

1. Billed, received, outstanding and overdue amount for each hospital.
2. Sort by **Outstanding**, **Billed** or **Cases**. Tap a hospital to see its cases.

Surgeon & hospital

1. How many cases each surgeon called you for **at each hospital**, with billed, received and outstanding.
2. Filter by **Surgeon** and **Hospital** together to answer: *“How many cases did Dr. Shah call me for at Ruby Hall this year?”*

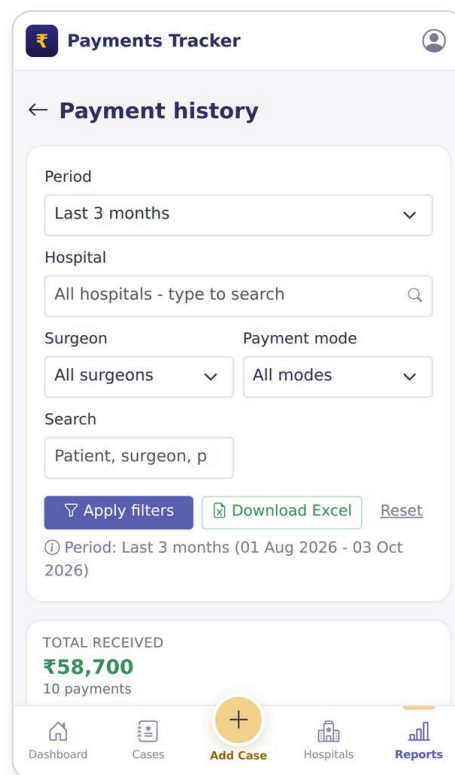

The screenshot shows the 'Payments Tracker' app interface. At the top, there's a header with a rupee icon and the title 'Payments Tracker'. Below this, a list of cases is displayed, grouped by surgeon and hospital. Each case entry shows the surgeon's name, the hospital, and a summary of billed, received, and outstanding amounts. The bottom navigation bar includes icons for Dashboard, Cases, Add Case (highlighted with a yellow circle), Hospitals, and Reports.

Surgeon	Hospital	Cases	Billed	Received	Outstanding
Dr. Amit Shah	Ruby Hall Clinic	5	₹49,000	₹25,500	₹23,500
Dr. Amit Shah	Jehangir Hospital	4	₹24,000	₹12,000	₹12,000
Dr. Neha Kulkarni	Sahyadri Hospital Kothrud	5	₹36,500	₹22,500	₹14,000
Dr. Neha Kulkarni	Ruby Hall Clinic	2	₹12,500	₹12,500	₹0
Dr. Rahul Deshpande		5			

Payment history

1. Every payment you received in the period, with total and a split by payment mode.
2. Filter by hospital, surgeon or mode (e.g. only cheques).

Tip Download the payment history at the end of each month for your CA.

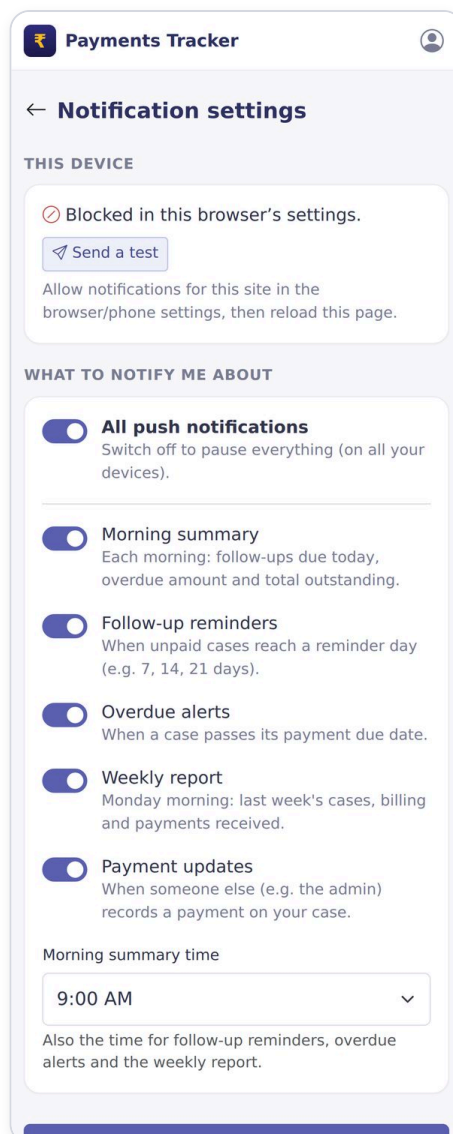

The screenshot shows the 'Payment history' screen in the 'Payments Tracker' app. It features a search and filter section with dropdowns for Period (Last 3 months), Hospital (All hospitals - type to search), Surgeon (All surgeons), and Payment mode (All modes). There is also a search bar for 'Patient, surgeon, p'. Below the filters, there are buttons for 'Apply filters', 'Download Excel', and 'Reset'. A summary section shows 'TOTAL RECEIVED ₹58,700' and '10 payments'. The bottom navigation bar is the same as the previous screenshot, with 'Add Case' highlighted.

12. Reminders on your phone

Turn on notifications

1. Profile menu → **Notification settings** (or tap **Turn on** on the Dashboard).
2. Allow notifications when your phone asks.
3. Choose what you want: **Morning summary, Follow-up reminders, Overdue alerts, Weekly report, Payment updates**.
4. Set the time for the morning summary and tap **Save notification settings**.
5. Tap **Send a test** to check it works.

Note On iPhone, notifications work only when the app is added to the Home Screen (iOS 16.4 or later).

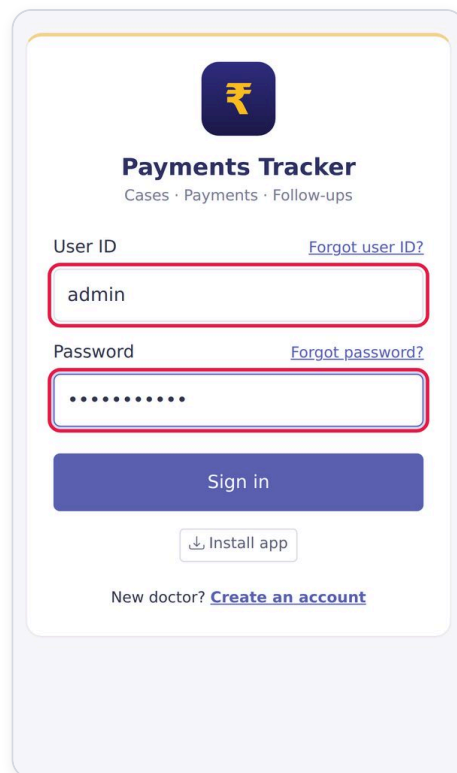

13. For the administrator

This section is only for the person who manages the app for the practice. The administrator has a separate login (for example *admin*) and can see the work of all doctors. Doctors never see these screens.

Sign in as administrator

1. On the sign-in page type the **administrator User ID** and **password** given to you.
2. Tap **Sign in**.
3. Keep this login private - it can see and change every doctor's data.

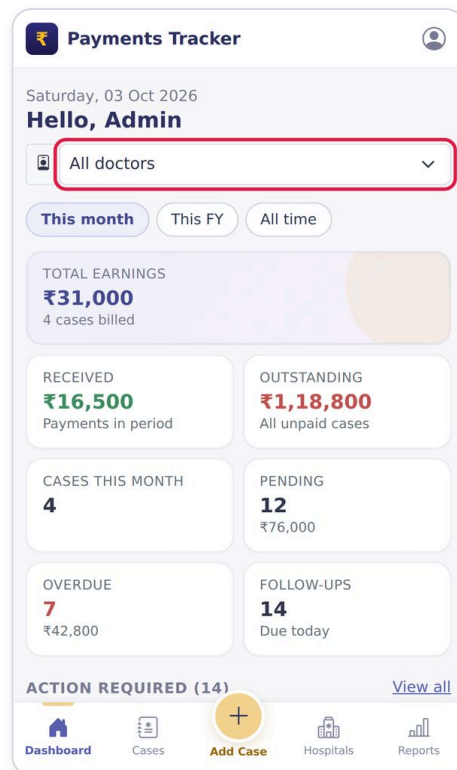

Note The administrator password cannot be recovered with 'Forgot password' (that needs a doctor's mobile number). If it is lost, ask your technical support person to reset it.

The sign-in screen for the Payments Tracker app. It features the app's logo (a yellow '₹' symbol in a blue square) at the top. Below the logo is the title 'Payments Tracker' and the subtitle 'Cases · Payments · Follow-ups'. The screen contains two input fields: 'User ID' with the text 'admin' and a 'Forgot user ID?' link, and 'Password' with a masked password '.....' and a 'Forgot password?' link. A blue 'Sign in' button is positioned below the password field. At the bottom, there is a link to 'Install app' and a link to 'Create an account' for new doctors.

Administrator dashboard

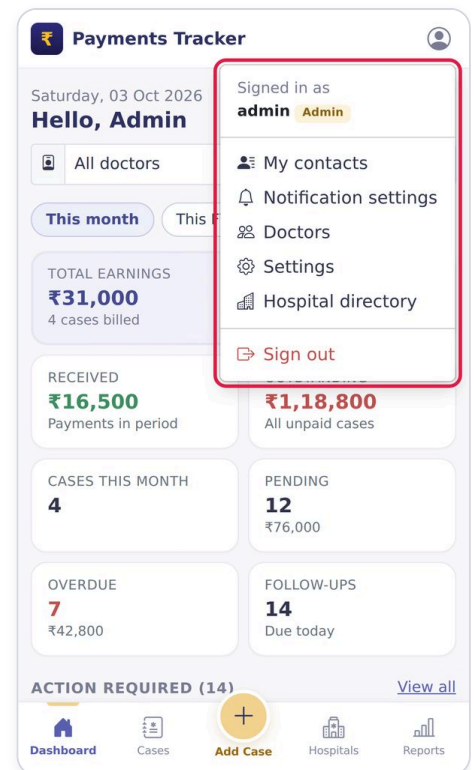

1. Works like a doctor's dashboard, with one extra box at the top: the **doctor selector**.
2. Choose **All doctors** to see the whole practice, or pick one doctor to see only their figures.
3. The same selector appears on Cases, Outstanding and Reports.

The administrator dashboard screen for the Payments Tracker app. It shows the date 'Saturday, 03 Oct 2026' and a greeting 'Hello, Admin'. A 'doctor selector' dropdown menu is highlighted with a red box, showing 'All doctors'. Below this are three tabs: 'This month' (selected), 'This FY', and 'All time'. The dashboard displays several key metrics: 'TOTAL EARNINGS' of ₹31,000 (4 cases billed), 'RECEIVED' of ₹16,500 (Payments in period), 'OUTSTANDING' of ₹1,18,800 (All unpaid cases), 'CASES THIS MONTH' of 4, 'PENDING' of 12 (₹76,000), 'OVERDUE' of 7 (₹42,800), and 'FOLLOW-UPS' of 14 (Due today). At the bottom, there is a section for 'ACTION REQUIRED (14)' with a 'View all' link. The bottom navigation bar includes icons for 'Dashboard', 'Cases', 'Add Case' (highlighted with a red circle), 'Hospitals', and 'Reports'.

Administrator menu

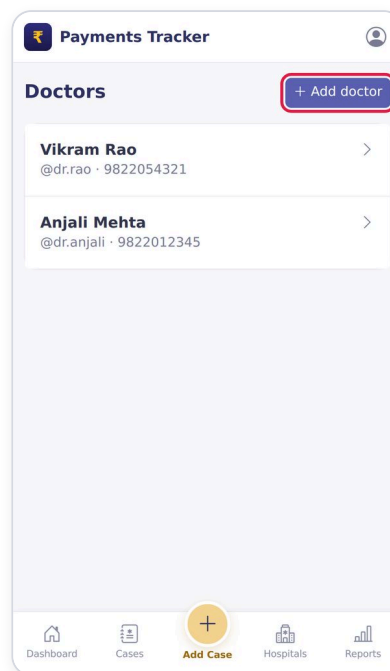

1. Tap the round profile icon (top right). Next to your name is an orange **Admin** label.
2. **Doctors** - doctor accounts.
3. **Settings** - payment terms, reminders and sign-up rules for the whole app.
4. **Hospital directory** - load the government hospital list.

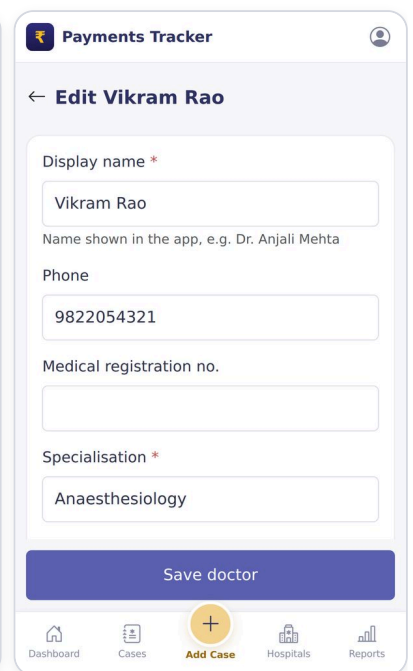

Doctors

1. Lists every doctor account with User ID and mobile number.
2. Tap + **Add doctor** to create an account for a doctor.
3. Tap a doctor to change their name, mobile number or email, or to switch the account **Active** on or off.

Tip New sign-ups that need approval appear here. Switch on Active to let them sign in.

Doctors

Edit a doctor

See any doctor's cases

1. Open **Cases** (or any report) and use the **doctor selector** at the top.
2. Each case shows which doctor it belongs to.
3. Reports and Excel downloads include a **Doctor** column.

Dashboard Cases **Add Case** Hospitals Reports

Add a case for a doctor

1. Tap **+ Add Case**. As administrator you first choose the **Doctor** the case belongs to.
2. The rest of the form is the same as in section 4. Surgeons and contacts shown are that doctor's own lists.
3. **Bulk upload** works too: choose the doctor on the upload page, or fill the **Doctor Username** column in the template.

Dashboard Cases **Add Case** Hospitals Reports

Settings

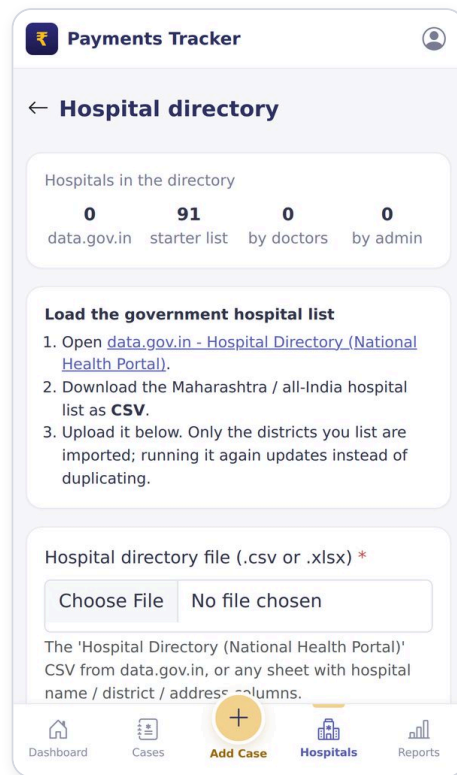

1. **Practice name** - shown in the app.
2. **Default payment terms** - days assumed when no expected payment date is entered (30).
3. **Reminder days** - when follow-up reminders appear (7, 14, 21) and how often they repeat after that.
4. **Sign-ups** - allow doctors to create their own accounts, and whether new accounts need your approval.
5. Tap **Save settings** at the bottom.

The screenshot shows the 'Settings' screen of the 'Payments Tracker' app. At the top, there's a header with the app name and a user profile icon. Below the header, the title 'Settings' is displayed. The settings are organized into sections with labels and input fields. The first section is 'Practice name *' with a text input field containing 'Payments Tracker'. The second section is 'Default payment terms days *' with a text input field containing '30'. Below this, a note states: 'Used when a case has no expected payment date: it becomes Overdue this many days after the case date.' The third section is 'Reminder days *' with a text input field containing '7,14,21'. Below this, a note states: 'Follow-up reminders are raised when an unpaid case reaches these ages (days after case date).' The fourth section is 'Repeat reminder every days *' with a text input field containing '7'. Below this, a note states: 'After the last reminder above, keep reminding at'. At the bottom, there is a navigation bar with five icons: Dashboard, Cases, Add Case (highlighted with a yellow circle), Hospitals, and Reports.

Hospital directory

1. Shows how many hospitals are in the shared list and where they came from.
2. To load the full government list: download the hospital CSV from **data.gov.in**, choose it here and upload. Only the districts you list (Pune, Mumbai by default) are added.

The screenshot shows the 'Hospital directory' screen of the 'Payments Tracker' app. At the top, there's a header with the app name and a user profile icon. Below the header, the title 'Hospital directory' is displayed with a back arrow. The main content area shows 'Hospitals in the directory' with four counts: 0 for data.gov.in, 91 for starter list, 0 for by doctors, and 0 for by admin. Below this, there is a section titled 'Load the government hospital list' with three steps: 1. Open data.gov.in - Hospital Directory (National Health Portal). 2. Download the Maharashtra / all-India hospital list as CSV. 3. Upload it below. Only the districts you list are imported; running it again updates instead of duplicating. Below the steps, there is a section titled 'Hospital directory file (.csv or .xlsx) *' with a 'Choose File' button and a 'No file chosen' status. Below this, a note states: 'The 'Hospital Directory (National Health Portal)' CSV from data.gov.in, or any sheet with hospital name / district / address columns.' At the bottom, there is a navigation bar with five icons: Dashboard, Cases, Add Case (highlighted with a yellow circle), Hospitals, and Reports.

14. Questions and quick help

Common questions

Question	Answer
I entered the wrong fee or date.	Open the case → Edit → correct it → Save case .
I recorded a payment twice.	Open the case, tap the wrong payment in the Payments list, then tap the bin button to delete it.
The hospital paid only part of the fee.	Record what you received. The case stays Partially Paid until the rest comes in.
The hospital promised to pay on a date.	Log follow-up and enter the Promised payment date . Reminders pause until then.
I can't find a hospital.	Try fewer letters or the area name. Still missing? Tap Add a hospital not in the list .
The surgeon list is empty for a hospital.	Use New surgeon once; next time they appear first for that hospital.
My bulk upload saved nothing.	Some rows had mistakes. Fix the red cells and upload the same file again.
I see an old version of a screen.	Close the app fully and open it again (or pull down to refresh).
I changed my phone.	Open the app link on the new phone, sign in, and add it to the home screen again. Your data is safe on the server.
Can other doctors see my data?	No. Each doctor sees only their own cases, contacts and surgeons. Only the administrator login can see all doctors.
The administrator forgot the password.	Ask your technical support person to reset it (Forgot password works only for doctor accounts).

Quick reference

Task	Steps
Add a case	+ Add Case → Hospital → Fee → Surgeon → Save case
Record a payment	Cases → open case → Record payment → Save payment
Delete a case	Cases → open case → Delete → Yes, delete
Call about a payment	Dashboard → Follow-ups → phone icon
Mark as followed up	Follow-ups → ⋮ → Mark followed up today
Excel of a month	Reports → Monthly summary → tap month → Download Excel
Cases per surgeon	Reports → Surgeon & hospital
Forgot User ID / password	Sign-in page → Forgot user ID? / Forgot password? → mobile number
